

# THE CENTER FOR IRISH MUSIC

The first tune in this set is another Martin McHugh session favorite. CIM instructors Norah Rendell and Mary Vanorny taught this tune to campers at the 2019 Summer Ensemble Camp, who performed it at the end-of-the-week camp concert. The second tune was introduced to CIM through a fiddle workshop given by CIM instructor Danny Diamond shortly after he moved to Minneapolis from Sligo in 2019 and is on his album titled Fiddle Music.
